Hi Dario,

Thanks for your email below. My proposal was that we meet and confer and decide which, if any, of the terms we originally proposed Valve wants us to search. To the extent that is less than 10, we will allow Valve to propose alternative terms to make up the difference as well as propose the additional 10 terms it is entitled to under the Court's order. Does this work for you?

In addition, please let me know if you would agree to a one-week (7 days) extension for Defendants to answer Valve's Second Amended Complaint.

Thanks,  
Don

Don,

It was good meeting you in person the other week. Before the hearing, you mentioned having a call to discuss search terms. I believe this was your proposal: (a) Valve provides Defendants with terms it wants run in addition to those Defendants already proposed (which we believe are inadequate); and (b) Valve still gets its additional 10 terms.

Was this your proposal? If not, please let us know what you had in mind, and we'll see if the parties can reach agreement. Thank you.

Sincerely,

Dario Machleidt
